To: Members of the Aspira Board of Directors

From: Margaret Rosario Rivera *MLL*

This is to notify you that Hilda Rosario has decided to resign her position as Executive Director of Aspira, Inc. of New Jersey. Hilda will be meeting with her staff today to communicate her decision. I will also meet with staff as well. We are presently discussing her effective date and that will be communicated to you shortly. As I have requested many times, please make sure that you do not discuss personnel related matters which were conducted in close session with other parties.

Hilda, Elvin and I have agreed that if inquiries arise (regarding her position) we should all indicate that we could not reach agreement to the terms of the contract. We should all be stating the same response. No more, no less. The Board's Executive Committee will develop the appropriate method by which we communicate her resignation.

The Executive Committee (present and newly elected officers) will meet on Thursday, July 2, 1992 at 6:00 p.m. to discuss several important matters (e.g., search, retreat, Males Conference, and funding). I need to finalize agenda items for the Retreat and July Board meeting, please provide me with year end status reports (if you have not done so already). Also provide Elvin Crespo with your items for discussion so he can include them on the Board's agenda for Sunday, July 12, 1992.

Within the next several days you can expect to receive the Retreat Package. Unless otherwise indicated, I expect to see you all at the Retreat. Should you have any questions or concerns, please feel free to call me at work (201) 740-3758 or at home (201) 912-0226.

Thank you for your continued support.

A handwritten signature in dark ink, reading "Margaret Rosario Rivera". The script is fluid and cursive, with the first name being the most prominent.

Posters are now available, please call Sam or Evelyn to coordinate distribution (take only those posters you are actually able to distribute and post -- please).
